

Gazebo Canopy Series

Redwood Gazebo

Sophisticated shade with Extendable Awning and Vented Top.
11 ft. x 11 ft. / 3,4 x 3,4 m

Superior Quality & Elegant Backyard Shade, Affordable Price

- **Attractive Shape, Practical Shade** -

A new stylish design for your outdoor entertaining.

- **Superior Shade, Affordable Price** - A stylish choice at a more affordable price point. Adds an elegant aesthetic to backyard, deck, patio, garden and much more.

- **UV Protection in an Attractive Cover** - Durable 300D water resistant, CPAI-84 Sec. 6 fire-rated cover inherently protects against harmful UVA and UVB rays. Vented cover with extendable awning attaches easily with spring pins at the center and cotter pins along the perimeter.

- **Strong Steel Frame** - High quality steel tube frame is powder coated to resist corrosion and rust. The strong 2.4" x 2.4" square corner posts offer added stability to this already superior quality gazebo unit. A sturdy, steel shade solution to last season after season.

- **Easy Assembly Seasonal Shade** - A great alternative to traditional wood gazebos, this unit assembles easily and does not require additional parts.

- **Stable and Secure** - Four exterior 4" wide cross beam trusses create the shape of the structure, while 8 beams support the roof for reinforced shade coverage. Square tube leg posts feature threaded inserts for a solid roof to leg attachment.

Great For:

Backyards, patios, camp sites, decks, seasonal shade and protection.
